## Learning outcomes & description

### DESCRIPTION

This training guides the learner through the asylum procedures, presenting the new and revised provisions with a focus on the Asylum Procedures Regulation (APR). The training highlights aspects such as the basic principles, guarantees and the administrative procedure from the screening and access until a decision is notified to the applicant for international protection, including special procedures and the safe country concepts.

### LEARNING OUTCOMES

At the end of this module, the learner will be able to:

1. Outline the screening process, in relation to access to the asylum procedure
2. Explain some of the most relevant changes the APR brings to the asylum procedure

### DELIVERY METHOD

This module is delivered online, enabling self-paced learning.
