GUIDANCE NOTE

Last updated: February 2019

The demographics of the area should be taken into account, including its prominent religion, ethnicity, etc. Large cities, such as Lagos, could generally be considered as a possible IPA for different profiles of applicants, due to being more ethnically and religiously diverse.

When choosing a particular part of Nigeria with regard to which to examine the applicability of IPA, where relevant, existing ties with the place, such as previous experience and/or existence of a support network could, for example, be taken into account.
