a) Assessment of indiscriminate violence: general approach

COMMON ANALYSIS

Last updated: January 2023

The common analysis regarding the degree of indiscriminate violence combines quantitative and qualitative elements in a holistic and inclusive assessment. The security situation in the respective territories is assessed by taking into account the following elements:

Figure 3. Indicators in the assessment of the level of indiscriminate violence.

For more information on the methodology and indicators used to assess the level of indiscriminate violence in country guidance documents, see [‘Country Guidance: explained’](#).
