6.4. Reasonableness to settle

COMMON ANALYSIS

Last updated: January 2025

According to Article 8(1) QD/QR, IPA can only apply if the applicant 'can reasonably be expected to settle' in the proposed area of internal protection. In case the criteria of safety and travel and admittance are met, the assessment of the availability of IPA in Tehran should proceed with an analysis of its reasonableness in light of the general situation in the city and the individual circumstances of the applicant.

The analysis below is based on the following EUAA COI report: [Country Focus 2024](#), 5.2; [COI Update 2024](#), 3. Country Guidance should not be referred to as source of COI.
