

Please cite as: EUAA, 'Structure and use of the report' in *Sudan: Security Situation*, October 2026.

Structure and use of the report

The report is divided into two parts. The first one focuses on the general political and security situation of the country between March 2025 and August 2026 and then addresses the humanitarian situation at country level. The second part of the report addresses the security situation in the individual states, focusing on the actors, conflict dynamics as well as security trends, events, and major impacts on the civilian population.
